CHECKLIST OF PROFESSIONAL PROGRAM PRE-ADMISSION REQUIREMENTS
(This form is not a final plan of study – it should be used for tracking and planning purposes only)

Student Name: ____________________________________________  Student ID#: ________________________
Preparation Date: ____________________  Anticipated program application Date: ______________________

1) General Education Requirements: Consult catalog for options.
   • In some instances, program pre-admission courses can also be used to satisfy general education requirements. While not required, it is highly recommended that students complete general education requirements prior to matriculation into a professional program.
   • Students MUST complete one W course prior to entry into the program. The second W is in the major.
   • Students who do not have general education and/or a W course completed prior to professional program. While not required, it is highly recommended that students complete general education requirements prior to starting the professional program may need to utilize summer semesters to complete requirements.

   General Education Courses (GER):
   CA1: ____________________________________________________
   CA2: ____________________________________________________
   CA3: ____________________________________________________
   CA4: ____________________________________________________
   Language: ________________________________________________
   Q courses: ________________________________________________
   ENGL: __________________________________________________
   W courses: ________________________________________________

Program requirements that meet GERs:
   CA2: some PSYC and SOCI courses for DIET may also meet this CA
   CA3: CHEM 1124Q/1125Q, 1127Q/1128Q; BIOL 1107; PSYC 1100; NUSC 1165
   CA4: NUSC 1167; some SOCI courses
   Q courses: MATH 1040Q, 1060Q or higher, STAT 1000QC or 1100QC
   W Requirement: Writing in major: DIET: DIET 3231W; DGS: DGS 4234W; MLSC: MLSC 4094W
   2nd W can be either a general education course or program requirement (i.e. SOCI).

2) Pre-Admission Course Requirements: Courses listed for these programs must be completed by the end of the Spring semester in which you apply to the Professional Program. For example, if you are applying for Fall admission, coursework needs to be completed by the end of the Spring semester.
